

Side Table Flow Set of 2

Assembly Instructions

Thank you for purchasing this table. Please read the instructions carefully before use to ensure safe and satisfactory use of this product.

Pre assembly preparation

Please ensure instructions are read completely before assembling this product.

1 person needed No tools required

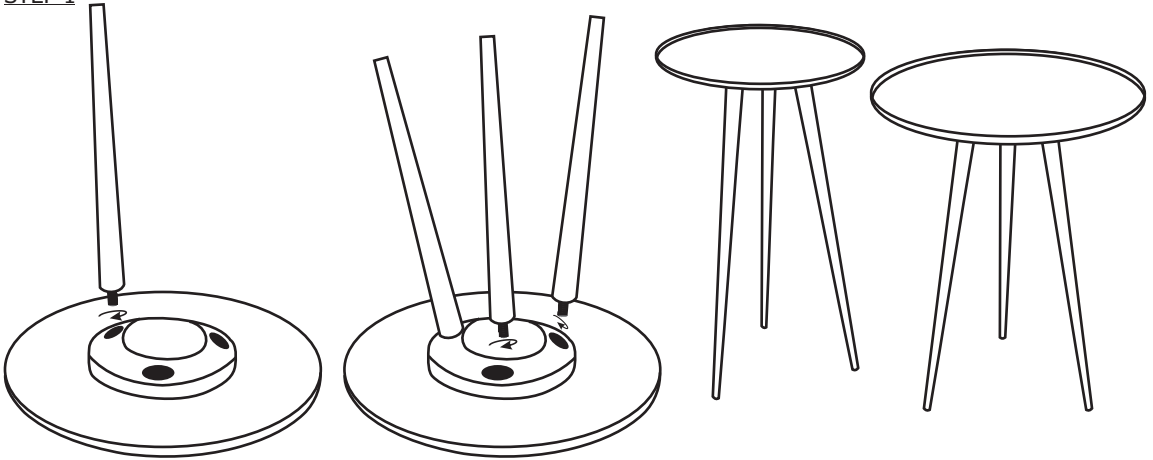

- Carefully check that you have all the parts before beginning to assemble the product. Components are listed on this leaflet.
 - Keep all equipment out of children's reach and keep children away from construction area.
 - We recommend that the packaging is used to protect the surface during assembly.
-

Parts

2x Table Top 3x Short legs 3x Tall legs

Step by step assembly instructions

STEP 1

- Step 1: Remove all the packaging. Place the tabletop on the protected area with the round top underneath.
- Step 2: Take one large leg and align with a hole in the table top. Turn clockwise until it fits securely. Do not over tighten. Do the same with the second and third leg.
- Step 3: Repeat step 2 for the small table.

Care and maintenance

- A gentle wipe with a lint-free cleaning cloth is all that is required to maintain the finish. Do not use any abrasive cleaning products or spray polishes on this table, as they will alter the finish of the table.
- All spillages must be wiped up immediately.
- Protect surface from scratches and marks by using mats and/or coasters.
- Accessories such as ornaments or lamps, which are placed upon the surface, need to be moved regularly to avoid shading.
- Furniture will endure most temperatures in the modern home. However, it should be positioned as far away from radiators or other direct heat sources as possible.
- The tables should not be used for sitting or standing on.
- Never drag pieces across the floor as this could cause damage to the floor.
- Periodically check all fixings and tighten if necessary.
